Wt. 13.05 lbs.

"The Nouveau panels' moderate width makes them a great option for curved staircases with open or closed stringers, as well as any straight staircase. The rake specific panels should be cut from the top to fit handrail height before installation"

Custom powder coating available upon request

Available Exclusively from

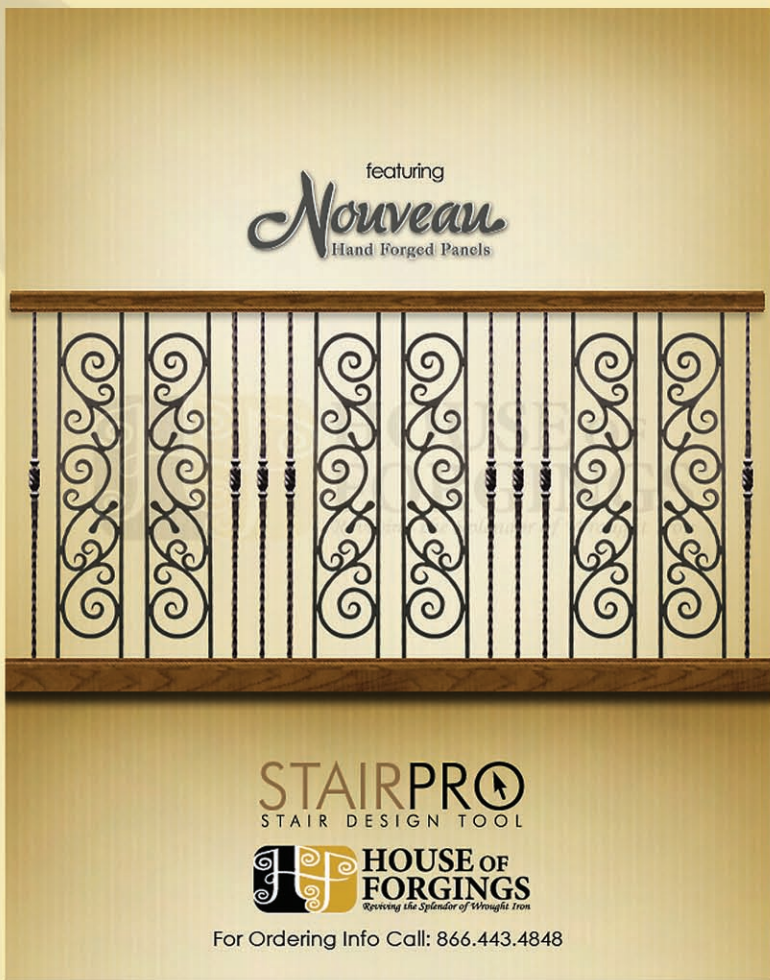

tel: 866.443.4848
fax: 281.443.1133
